Subject: Short Hills EOD Report - Nov 28

At evening exit there were 20 protesters and 5 supporters.
2 deer harvested.
Total of 16 deer harvested over the first four days of the harvest.

Some harvesters moved into the hydro corridor but were cooperative when asked by MNR to vacate that area.

Animal Alliance Liz White drove around periphery of park in the afternoon attempting to engage staff in dialogue. No issues.

No media.
